MEMORANDUM FOR: THE DIRECTOR

On 10 June 1957, the Office of Defense Mobilization requested that we review Mobilization Plan C (dated 1 June 1957) and submit on 15 September 1957 any comments which we might care to offer. This requirement was submitted to appropriate elements of the Agency and a determination was made that we had no comments or suggestions to offer on the Plan as it is written. Accordingly, a letter along these lines is attached hereto for your signature.

Notwithstanding the requirement described above, another memorandum came from the Office of Defense Mobilization dated 27 August 1957 asking for a separate letter of comments on Part IV of the Plan, "Operational Assignments and Organization." Inquiry revealed that this additional request was made by the Office of Defense Mobilization for the convenience of a special element of that office which has been set up to address itself to a separate consideration of Part IV as distinguished from the rest of the Plan. An additional letter has been prepared for your signature in compliance with this second request, and is attached hereto for your consideration.

Recommend 2 signatures.
